

Forever Kitchen Sink

2021 Product Guide

Stainless Steel Sink

Our stainless steel sink selection offers a wealth of design options and product features. Choose from rounded or tight corners, different bowl depths, sink shapes and configurations.

Quality

MONTINA sinks are made from quality stainless steel with 18/10 chrome-nickel content and will keep their brilliance for decades.

Durability

Stainless steel is easy to maintain, resistant to water stains and calcium deposits. It is non-porous, rust, stain, and heat resistant.

Design

Rounded or tight corners, different bowl depths, unique shapes, and configurations. Discover them all with a wealth of design options.

Accessories

Sink grids, cutting boards, workstations and colanders create the ultimate **Montina UNIT** experience with stainless steel.

MONTINA Granite sink is made of up to 80% natural granite. This finely ground granite is blended with a high-quality source of acrylic. This superior grade acrylic is blended with specially selected pigments which colours the material all the way through.

Granite Sink

Exclusive Designs

Our granite sinks portfolio is offered in 10 different colors over 5 exclusive sink designs for you to choose from. With such a wide assortment of styles, configurations, colors and sizes, we know you will not only find, but also fall in love, with your new granite sink.

Durability

A Granite sink is the ultimate choice for long-lasting kitchen bliss. Scuff marks, hot pans and baking trays straight from the oven — don't stand a chance against Granite.

Easy to Clean

A Granite sinks are heat, scratch and stain resistant and are completely safe for contact with food. It has a non-porous, smooth stone surface that repels water and liquids, making it stain resistant and easy to clean.
